**STATEMENT OF FACTS**

**POLICE INTERVENTION REPORT** - In the district of El Agustino, at 11:30 PM on December 13, 2023, Ms. Adriana Iveth Tito Venegas (20), born on 06/07/2003, single, holding National ID No. 72902057, student, residing at Jr. Aymaras 713, Coop “Los Chancas de Andahuaylas II Etapa,” district of Santa Anita, Lima, appeared to file a report for harassment, physical and psychological assault. The statement is as follows:

On December 13, 2023, at approximately 10:40 PM, I left the Santa Clara campus of Universidad Tecnológica del Perú after my classes and began walking toward the bus stop to take my usual transportation. I later realized that since the beginning of my classes around 8:15 PM, some women (I do not recall the exact number, but there was more than one) had been following me. At that time, I was unaware of it and I do not know their identities, as I had never seen them before and have not seen them again since the incident. Upon arriving at the bus stop, these women intercepted me. They began insistently and invasively questioning me about my appearance, particularly asking why I had short hair. They made suggestive remarks and aggressive questions about my

sexual orientation, which I experienced as clearly intimidating and prejudiced, mocking in tone. Immediately afterward, they violently grabbed me and began cutting off locks of my hair without my consent. An act I experienced as humiliation and symbolic violence against my identity and self-expression. Additionally, they pushed me to the ground and snatched my purse. Although I did not sustain any visible physical injuries or bleeding wounds, the aggression ceased abruptly when my bus (El Chosicano) arrived. At that moment, the attackers fled. I boarded the vehicle and went to my home located in Santa Anita. Despite not presenting external injuries, the incident has had a strong emotional and psychological impact on me. At 11:40 PM on the same day, this report was concluded and signed in the presence of PNP personnel as confirmation.
